## Personal information

My name is Julian van der leek. I was born in Haarlem and live in Cruquius now. I have my driver's license

## Studies

### MAVO | 2024 | HAEMSTEDE BARGER MAVO

- Graduated with some of the highest grades in my year
- I did technical subjects

### MBO 4 | CURRENT STUDY | MEDIA COLLEGE AMSTERDAM

- Study: Software development – Game development
- A part of Neon Origins

## Skills and talents

### C# AND UNITY

- I use Unity and C# with coding games. I have made several game projects for school already. I've worked in a team and by myself.

### SCRUM

- I have used scrum in multiple projects. I also did the daily stand ups, sprint reviews and made user stories and such.

### ENGELS

- I lived in Ireland for a year and went to school during that time, so my English is on a native level.

### JAPANS

- I have been studying Japanese for 4 years now. I can speak Japanese on a N4 level.

## Work Experience

### CREW | MCDONALDS HOOFDDORP | 2024 - NOW

- I have been working here for 2 years now and in that time I haven't been late at all. I always work hard and do what I must.

## Hobbies

Gaming: I have been gaming for as long as I can remember. I play every genre from RPGs to Puzzle games.

Writing: I have been writing stories for a while too. I have written the story for a Minecraft on which a lot of people played

History: I really enjoy learning about history.
